Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the North Las Vegas Fire Department – Fire Training Facility in fiscal year 2024. The entity to receive funding for this project is the City of North Las Vegas located at 2250 Las Vegas Blvd., North Las Vegas, NV 89030.

This project will allow for improved training and education of new and veteran North Las Vegas Firefighters. This project will also provide interagency training opportunities between all fire departments in the Las Vegas Valley. The site is about 1 mile from the City of Las Vegas border and approximately 4 miles from the closest Clark County Fire Department border, making it convenient for joint training opportunities. Additionally, the North Las Vegas Fire Department has a Fire Explorer Post in which 60 or more young men and women learn the basics of becoming a firefighter. These expanded training facilities and training opportunities that it would provide will certainly add to the experience for these Explorers.

The project has a Federal nexus because the funding provided is for purposes authorized under the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Steven Horsford".
